FOR IMMEDIATE RELEASE

Engrity Presents the GAIA Gala Awards Dinner to Celebrate Excellence and Achievement

EDMONTON, AB, December 4, 2023 — Engrity Inspection Services Inc. (Engrity), a leading full-service inspection company, is thrilled to announce the highly anticipated GAIA Gala Awards Dinner. The event will be held at the elegant Holiday Inn South, located at 4485 Gateway Blvd, Edmonton, AB T6H 5C3.

The GAIA Gala Awards Dinner is an evening dedicated to recognizing and celebrating operational excellence, achievement, and outstanding contributions within the industry. Engrity has meticulously selected nominees who exemplify the core principles of Safety, Leadership, Excellence, and Sustainability.

Event Details:

- **Date:** December 7, 2023
- **Time:** 6:00 PM
- **Location:** Holiday Inn South, 4485 Gateway Blvd, Edmonton, AB T6H 5C3

Select guests are invited to join in this memorable occasion, which promises a delightful blend of recognition, camaraderie, and culinary delights. The GAIA Awards will be presented in the following four categories:

1. General Contractors, Large Capital Projects
2. General Contractors, Special Projects
3. Fabrication Facilities / Modular Fab.
4. Turnaround & Maintenance Contractors

Nominees were chosen based on stringent criteria, including safety culture, effective implementation of company values, mission and vision, workforce development, continuous improvement programs, adaptability to new market conditions, promoting local businesses, diversity and inclusion initiatives, cultivating positive economy, and involvement in community programs.

"We are thrilled to host the GAIA Gala Awards Dinner to honor the remarkable accomplishments of companies who have demonstrated exceptional dedication to safety, quality, and operational excellence," expressed Massi Akrou, Head of Operations and Managing Partner at Engrity.

Engrity

Engrity has been a pioneer in the inspection industry, redefining excellence through its commitment to safety, quality, and client relationships. With over 300 projects completed and 12 years of service, Engrity continues to challenge the process one project at a time and elevate Projects key performance indicators (KPIs) each time every time.
